RE: CG Docket 02-386
Rules and Regulations Implementing Minimum Customer Account Record
Exchange Obligations on all Local and Interexchange Carriers

Dear Ms. Dortch:

On November 30, 2004, a coalition of interexchange carriers and local exchange carriers ("Coalition") met with Scott Bergmann, Legal Advisor to Commissioner Adelstein. Participating in the meeting were Mike Del Casino, AT&T; Michael Fingerhut and David Thurman, Sprint; Karen Reidy; MCI; Toni Acton, SBC; Mary Henze, BellSouth; Melissa Newman, Qwest; and Tyrone Keys, Verizon.

During the meeting, the Coalition discussed the importance of mandating the exchange of customer information through the use of specific business activities. The Coalition urged the Commission to expeditiously issue an Order to implement mandatory minimum CARE standards, as well as a Further Notice of Proposed Rulemaking to address the need for information requirements for local-to-local carrier changes.

This notice is being filed pursuant to Section 1.1206(b)(2) of the Commission's rules. If you have any questions regarding this filing, please do not hesitate to contact me.

Sincerely,

/s/Toni Acton
Associate Director
